Album 30x30cm
Preparing files for printing

ManetBook

Size

Net size (opened) 600 x 300mm
Finished size (Net Size) is the size of the album you get.

Gross size 604 x 304 mm
Gross size is the net size with added bleeds.
The bleed will trimmed off.
All bleeds are 2 mm.

Internal margin

3 mm away from trim line.
Graphics and text should be at least 3mm away from the trim line towards the inside of the album.
Proper Margin prevents text and graphics from being trimmed.

Cut/Crop line

Cut/Crop line indicates album final size.
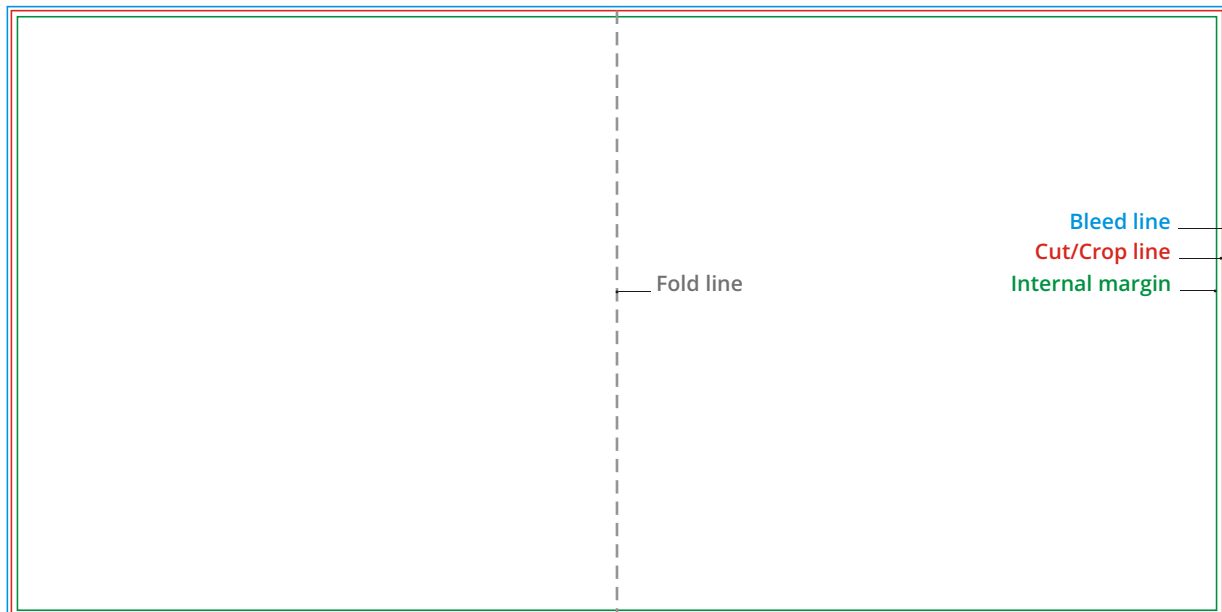

Bleed line

Album size extended 3mm beyond the cut/crop line.
All elements should be dragged to this line to avoid „white line effect" after trimming.

Colours and resolution

For printing all files should be prepared in RGB.
Reccommended resolution is 320 or 640 dpi.

Fold line

Bleed line
Cut/Crop line
Internal margin

Album templates available for download in: ai, cdr, pdf and psd.
For printing, please send files in pdf, jpg, tiff.
