

The diagram shows a page layout with three nested rectangular borders. The outermost border is blue, the middle one is red, and the innermost one is green. Three horizontal lines with dots at their ends point from the text labels on the right to the corresponding borders. The blue line points to the blue border, the red line to the red border, and the green line to the green border. The text 'Strona lewa' is centered at the bottom of the page.

The diagram shows a page layout with three nested rectangular borders. The outermost border is blue, the middle one is red, and the innermost one is green. Three horizontal leader lines with circular endpoints point from text labels on the right to the corresponding borders. The labels are: 'Linia spadu' (blue text) pointing to the blue border, 'Linia cięcia' (red text) pointing to the red border, and 'Margines wewnętrzny' (green text) pointing to the green border. The text 'Strona prawa' is centered at the bottom of the page.
